Mr. Timothy Rehder Rocky Flats Project Manager U.S. Environmental Protection Agency, Region VIII 999 18th Street, Suite 500-EPR-FT Denver, Colorado 80202-2466

Dear Mr. Rehder:

This correspondence is to officially transmit the Draft Environmental Restoration Rocky Flats Cleanup Agreement Standard Operating Protocol for Routine Remediation (ER RSOP) Fiscal Year 2002 Notification #02-09 (Individual Hazardous Substance Site 112-903 Pad) for your agency's review and approval. In addition, the U.S. Department of Energy Rocky Flats Field Office is requesting your comments be submitted for resolution. A final version will be submitted to your agency once the comments have been resolved. A copy of this draft document will also be sent to the Colorado Department of Public Health and Environment. Please note effort has been made to ensure the language is both consistent with the Rocky Flats Cleanup Agreement while taking into consideration your agency and the public's request for cleanup of the Rocky Flats Environmental Technology Site. If you should have any technical questions regarding this submittal, please contact Norma I. Castaneda of my staff at (303) 966-4226 or you may contact me at (303) 966-2282.

Sincerely,

Joseph A. Legare
Assistant Manager

for Environment and Stewardship
